

THE MIDTOWN EXPRESS PROJECT

Construction has started on the Euless portion of the \$850 million Midtown Express project. As part of the project, SouthGate Constructors (SouthGate), the contractor for the project, will be closing and removing the Main St. bridge and pedestrian bridge just east of Ector Dr.

WHEN WILL THE MAIN ST. BRIDGE CLOSE?

Pending inclement weather, the Main St. bridge will be closed starting the evening of Friday, June 3. The new Main St. bridge will be built and open to traffic within 18 months.

WHEN WILL THE MAIN ST. BRIDGE & PEDESTRIAN BRIDGE BE REMOVED?

The Main St. bridge and pedestrian bridge removals are tentatively scheduled for the second week of June. The removals will require the following full weekend closures:

STEP 1

Times: Tentatively scheduled from 11PM on Friday, June 10 to 11PM on Saturday, June 11

Closures:

- Full highway closure of eastbound SH 183 at Industrial Blvd.
- Full highway closure of westbound SH 183 at Main St.
- All lanes of north and southbound Industrial Blvd. closed under SH 183.
- All lanes of north and southbound Ector Dr. closed under SH 183.
- Eastbound SH 183 toll managed lanes must exit at Industrial Blvd.
- Eastbound SH 183 on-ramp from Murphy Dr. closed.
- Eastbound SH 183 on-ramp from Industrial Blvd. closed.

Police officers will be stationed to assist with traffic control throughout the weekend. The pedestrian bridge removal is expected to complete by 11PM on Saturday, June 11. At that time, Ector Dr. and Industrial Blvd. and some ramps will reopen and the following closures will be in place to continue removing the Main St. bridge:

STEP 2

Times: Tentatively scheduled from 11PM on Saturday, June 11 to 6AM on Monday, June 13

Closures:

- Full highway closure of eastbound and westbound SH 183 at Main St.
- Eastbound SH 183 on-ramp from Murphy Dr. closed.
