

# LONG-TERM CLOSURE OF MAIN ST. BRIDGE

## Detour to southbound Main St.

Not to scale

### LEGEND

- ✗ Main St. Bridge Closed
- ➔ Southbound Main St. Detour

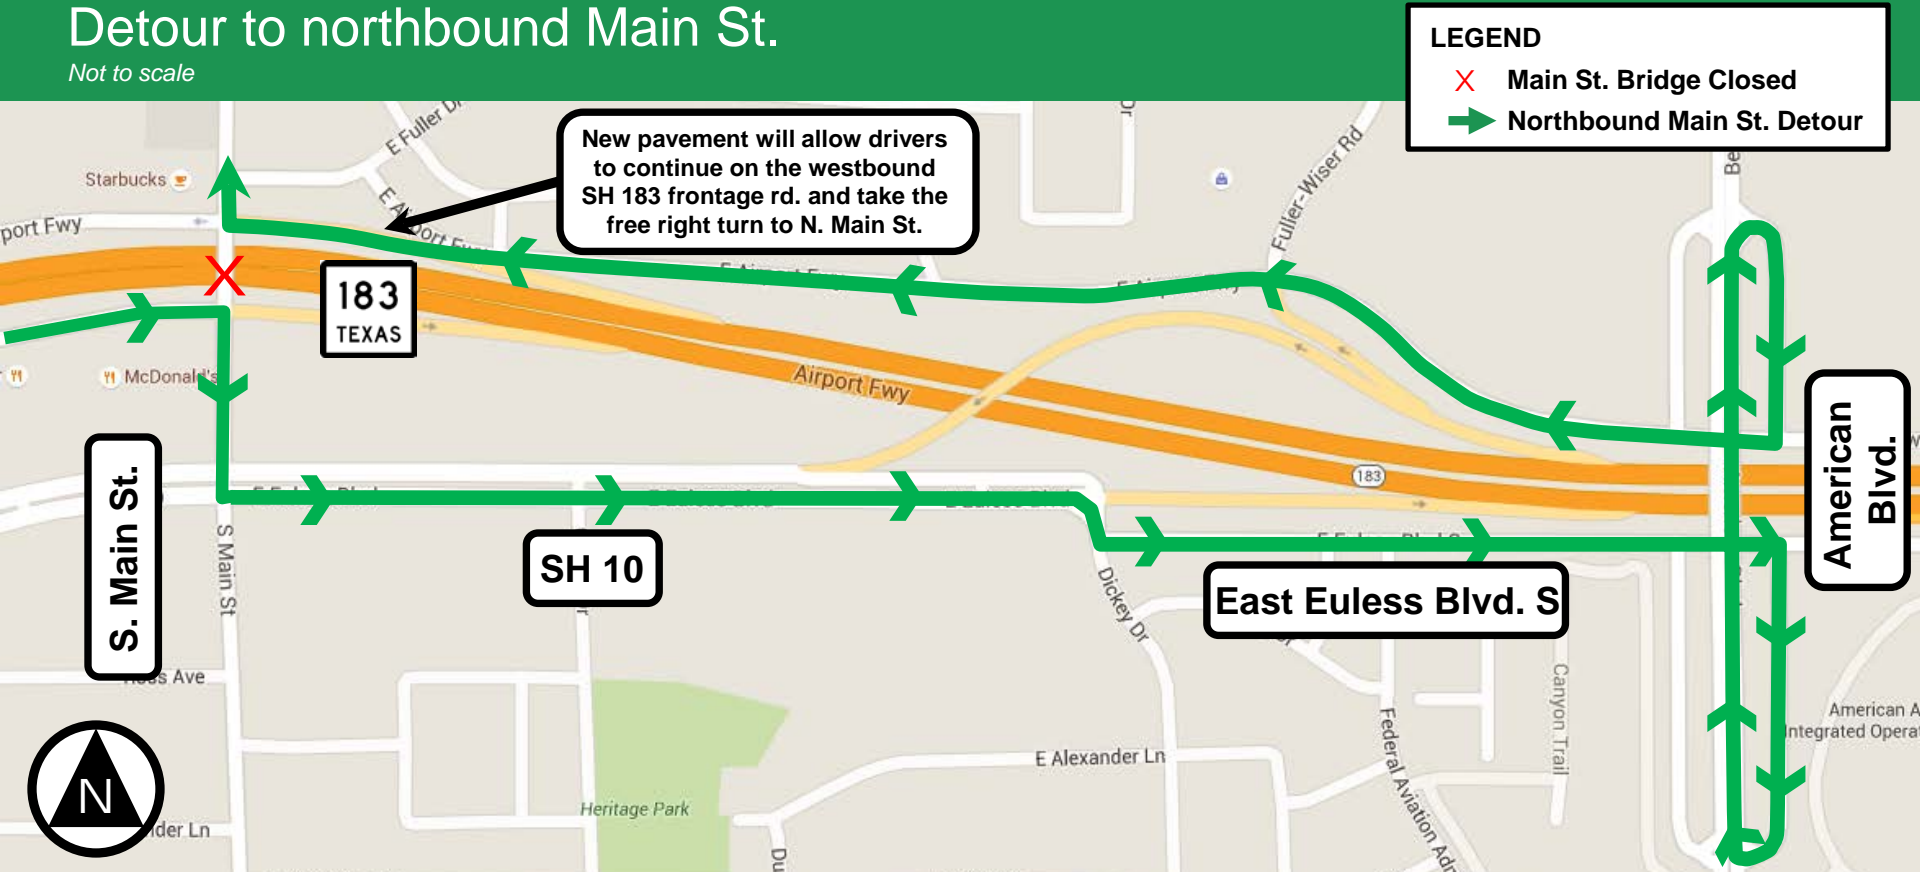

### Getting from North Main St. to South Main St.

1. Drivers must turn right onto the westbound SH 183 frontage rd. and follow it Ector Dr.
2. At the Ector Dr. intersection, drivers will take the u-turn to eastbound SH 183 frontage road.
3. Drivers will turn right at Main St. to head south.

# LONG-TERM CLOSURE OF MAIN ST. BRIDGE

## Detour to northbound Main St.

Not to scale

### Getting from South Main St. to North Main St.

1. Drivers **must turn right** on Highway 10. If drivers continue north to the eastbound SH 183 frontage road, they will be forced to join eastbound SH 183.
2. Continue on Highway 10 and turn right at Dickey Dr., then turn left onto East Euless Blvd. S.
3. Follow East Euless Blvd. S. and turn right onto the American Blvd. u-turns.
4. Follow detour signs on American Blvd. to the westbound SH 183 frontage rd. Continue on the westbound SH 183 frontage and take the free right turn to N. Main St.
